[ VERSE 1 ] D                    G              D
            His robes for mine O won-der-ful ex-change
                          D          G                      Asus A
            Clothed in my sin Christ suf-fered 'neath God's rage
                          G          A               Bm7
            Draped in His right-eous-ness I'm just-i-fied
                       G        A              D
            In Christ I live for in my place He died
[ CHORUS ]  D          Bm         E              A
            I cling to Christ and mar-vel at the cost
            D         G      A                   D
            Jesus for-sak-en God est-ranged from God
            D              Bm      E              A  D  G
            Bought by such love my life is not my own
               D         G         Em      A        D
            My praise my all shall be  for Christ a-lone

[ VERSE 2 ] D                      G                D
            His robes for mine what cause have I for dread
                            D          G               Asus A
            God's daunt-ing law Christ mast-ered in my stead
                         G          A                    Bm7
            Fault-less I stand with right-eous works not mine
                       G          A                  D
            Saved by my Lord's vic-a-rious death and life
[ CHORUS ]

[ VERSE 3 ] D                        G              D
            His robes for mine God's just-ice is ap-peased
                      D           G                  Asus A
            Je-sus is crushed and thus the Fath-er's pleased
                              G        A                   Bm7
            Christ drank God's wrath on sin then cried 'Tis done
                          G        A            D
            Sin's wage is paid pro-pit-i-a-tion won
[ CHORUS ]

[ VERSE 4 ] D                      G                 D
            His robes for mine such ang-uish none can know
                            D         G                    Asus A
            Christ God's be-loved con-demned as though His foe
                         G    A                 Bm7
            He as though I ac-cursed and left a-lone
                       G     A                    D
            I as though He em-braced and wel-comed home
