A-ma-zing grace!   How sweet the sound  
  Asus A  
that saved a wretch like me!

Was blind, but now I see

[ VERSE 2 ]            D                                  G                 D

'Twas grace that taught my heart to fear,

Asus A

and grace my fears re-lieved

D                                  G                 D

How pre-cious did that grace ap-pear

Bm      Asus A      D    Dsus    D

the hour I first be-lieved

[ VERSE 3 ]

Through man-y dan-gers, toils and snares  
I have al-read-y come;  
'Tis grace hath brought me safe thus far,  
and grace will lead me home.

[ VERSE 4 ]           D                                 G           D  
The Lord has prom-ised good to me,  
  Asus A  
His word my hope se-cures;  
                    D                                 G           D  
He will my shield and por-tion be  
         Bm           Asus A D   Dsus D  
as long as life en-dures.

[ VERSE 5 ]            D                                 G                                 D

When we've been there ten thou-sand years,

   Asus A

Bright shin-ing as the sun,

   D                                 G                                 D

We've no less days to sing God's praise

                 Bm            Asus A            D    Dsus    D

than when we first be-gun.
