[ INTRO ]      | **D** | **G D** | **A Bm** | **G Asus** |

[ VERSE 1 ]      **D**                                      **G**                                      **D**  
 What love could re-mem-ber no wrongs we have done?  
          **A**                                      **Bm**                                      **G**                                      **Asus A**  
 Om-ni-scient, all-know-ing, He counts not their sum.  
          **D**                                      **Em7**                                      **D**                                      **G**  
 Thrown in-to a sea with-out bot-tom or shore,  
          **G**                                      **D**                                      **Asus A**                      **D**  
 Our sins, they are man-y; His mer- cy is more.

[ TURNAROUND ]      | **D** | **G D** | **A Bm** | **G Asus** |

[ VERSE 2 ]      **D**                                      **G**                                      **D**  
 What pa-tience would wait while we con-stant-ly roam?  
          **A**                                      **Bm**                                      **G**                                      **Asus A**  
 What Fa-ther, so ten-der, is calling us home?  
          **D**                                      **Em7**                                      **D**                                      **G**  
 He wel-comes the weak-est, the vil-est, the poor.  
          **G**                                      **D**                                      **Asus A**                      **D**  
 Our sins, they are man-y; His mer- cy is more.

[ CHORUS ]      **G D Asus A**                      **G**                      **D**                      **Asus A**  
 Praise the Lord,                      His mer-cy is more.  
          **G**                                      **D**                                      **A**                                      **Bm**  
 Stron-ger than dark-ness, new ev-'ry morn.  
          **G**                                      **D**                                      **Asus A**                      **D**  
 Our sins, they are man-y; His mer- cy is more.

[ TURNAROUND ]      | **D** | **G D** | **A Bm** | **G Asus** |

[ VERSE 3 ]      **D**                                      **G**                                      **D**  
 What rich-es of kind-ness He lav-ished on us.  
          **A**                                      **Bm**                                      **G**                                      **Asus A**  
 His blood was the payment; His life was the cost.  
          **D**                                      **Em7**                                      **D**                                      **G**  
 We stood 'neath a debt we could nev-er af-ford.  
          **G**                                      **D**                                      **Asus A**                      **D**  
 Our sins, they are man-y; His mer- cy is more.

[ CHORUS x 2 ]

[ OUTRO ]      **G**                                      **D**                                      **Asus A**                      **D**  
 Our sins, they are man-y; His mer- cy is more.
